NATASHA NICE

I just love being in front of the camera, and today I'm ready to rock it. I shaved carefully down there and brushed my teeth - three times. OK, I was still a little nervous. But when we started shooting and filming, it all left my mind. I focused on his cock, which was very nice, and stayed hard throughout the day. A good fuck relieves my nerves.

TALI DOVA

Yes, I love men. But this one really caught my eye. He looked like he was ready for sex or he wouldn't be looking at me right now. Did I mention that I like a man who likes sex. I know when every hole in my body yearns for a man that knows what to do with them. I also think that a man likes it when I take the initiative, like with a tight hold of his cock!

LENA PAUL

I'll admit I have a high sex drive. I told my man that was the case when we got together. I was an animal on him every time we fucked, but that wasn't enough for me. I mentioned a number of times that I wanted to play with other men. He was not into that so I moved on, and sex has been even better! I think these pictures tell the story.

JENNA ROSS

I know you're looking at my pussy. Sweet looking isn't it? It's wet, plump and ready for a hard cock. But first let me satisfy your urge to be sucked. I love sucking cock too, and you look like you have a really suckable one. I'd let you grab my hair and pull my mouth deeper over your cock. Then maybe I'll let you put it in my pussy.

THE POOL'S NOT THE ONLY THING WET AROUND HERE

MOUTHS AND PUSSIES AND COCKS, OH MY!

MY EXPERIMENT

I'm thirty-three and Melanie is probably close to thirty but she still looks like she is twenty. I have never seen her in person, but the pictures she shared with me over the internet and cell phone has fired my imagination. Melanie tells me she has a large appetite for sex. Her passions inspire me and I want to be the best lover I can for her. Melanie has responded to my willingness to try different things and to take the time to arouse her deepest passions before I seek mine.

I smile at the thought of hearing Melanie's voice. I expect she will be fresh from the shower and ready for some loving. The traffic is light as I head towards Melanie's apartment. It is almost time to meet her for the first time.

I just know her sweet treasure will be wet and juicy and ready for me. I call Melanie to tell her that I'm close by. She tells me she is home

and awaits me. She is dressed in a short white summer dress and flip flops. Her giggle is happy and filled with anticipation. Her slight southern accent only makes her more desirable. We had planned a champagne party to get things started and she still seems willing.

I say that I'm dressed in a short red dress and bringing a surprise with me but will have to show it to her later. Melanie tells me how excited she is to see me when I tell her that I'm turning onto her well groomed cul de sac.

I tell her that I'm parking the car in front of her house. I head up the front stairs to her house and knock on the door. After what seems to be an eternity for me, she finally answers. We say hello to each other with huge smiles as we see that the attraction is mutual. Not wanting to be obvious on the door stoop, she invites me in, closes the door and gives me a big hug. Our breasts touch in the embrace and I feel her fullness. Her face is beautiful, as is

her body, and I cannot wait for us to be together. Melanie tell me she is ready to feel my body; ready to take all the loving I can dish out.

I drop my bag by the door as she escorts me in and offers a cup of tea. I politely refuse but ask for some water because the warm Dallas day has made me thirsty. I look at her as she leaves the room. Her figure is awesome and her hair is gorgeous. She returns from the kitchen and places the glass in my hand. I thank her smiling as I sip and refresh myself. Now I become a little worried; performance anxiety, perhaps.

I go to my bag and pull out a bottle of champagne that I brought. We pour a couple glasses and make small talk for an hour and then the conversation begins to get more erotic. She tells me about some of her experiences with both men and women. I am the more quiet one and but I feel comfortable telling her about some of mine. It seems neither one of us has been that experimental in our lives and this

meeting may just be kismet. As we empty and refill our glasses, we are liking each other even more.

Realizing the encounter is now imminent, we put our empty glasses down next to the empty bottle. After a minute I am on my back on the sofa so she can more fully adore me. My dress has hiked up and now my panty is exposed and it seems to fuel her ardor. She arches over me so her pussy is just over my face. I kiss the insides of her silky thighs and work my way up to her treasure. Still covered with the fabric, I nuzzle it in anticipation.

The bubbly has taken its toll with us. We're giggly, tipsy and feeling pretty sexy. Slowly we both get upright and on the count of three, pull our dress tops open. Our breasts are exposed and again we giggle complimenting each other on their beauty. Hers are full with perfect sized nipples ready to be licked and sucked, which, of course, I oblige. Mine are smaller but still quite firm and shapely for my age and her mouth is welcomed to lick and suck them with soft moans and groans.

Now it's time for the dresses to come off and release their hidden secrets. As they are pulled down, I notice she is clean shaven down there. I have a little hair, but I'm clean shaven around my pussy lips. I am on sensory overload. I can just see the pink of her inner lips peeking out. Her breasts are erect. Her smile is so welcoming. I know that I made the right choice. Finally, my gaze settles into her blue eyes. Melanie breaks the silence by asking me if I like what I see. I manage to sputter out that I am enthralled.

I can feel my pussy getting wetter with anticipation. It is a wonderful feeling as my passion begins to rise. She teases me to bend over so she can lick my sweet pussy. I lean over the back of the sofa as she nestles her mouth into my posterior. I feel her tongue probing my pussy lips and rising up to my puckered hole. The feelings are sublime. Her tongue travels well between my pussy and butthole. She gently probes them as they get wetter and wetter with each pass of her tongue.

Now it's my turn as I gaze at the

object of my affection and just as I close in to lick her, she pushes me back on the sofa saying she's not done with me yet. I see a sly smile break across her face as she sucks on my nipples and works her way down to my pussy again. Pulling my pussy lips open, she attacks my clit like a velvet warrior: soft yet hard. I lean back, close my eyes and take in all the senses that her swirling tongue delivers.

I climax quickly but she continues to lick me, inserting her fingers deep into my soaking wet pussy, thrusting them in and out until I cum again and again. I have to close my thighs. I cannot take any more for the moment. She sits up, her long tresses framing her beautiful face and her mouth wet with my juices.

She bends over to give me a deep kiss and I taste myself and get even more excited once again. I hug and caress her. Bending my head down, I kiss her again pressing a little harder parting her lips and thrusting my tongue past her teeth. Melanie kisses me back with even more energy and passion than before.

BLAIR-NTS-10

My free hand begins to caress Melanie's breasts. Gently I twist and pull her nipples and she moans with pleasure. Laying back on the sofa, I pulled her on top of me. Her magnificent breasts mashed against mine. My hands reached around and cupped her firm, round ass. My legs were spread and she starts to slowly grind her pussy against me.

I tried to wrap my legs around her, but she was stronger than me. Melanie left a trail of kisses down my neck to my shoulder. Her hands roamed my body, working their way lower. From my arms to my breasts. From my breasts to my belly. A gasp escaped my lips as she cupped my mound.

She rubs my pussy. I grabbed a handful of her hair and pulled her to me. I was nearing a crescendo. Her hand was moving faster. I began to hyperventilate. My hips moved in time with her fingers. I arched my back and thrashed around on her bed. She had built me up and I was so close! The tingling started in my toes. I've had orgasms with guys before, but this isn't the same. I even had some pretty good,

scream-and-wake-the-neighbours orgasms with them, but none of them compared to this one. But we were not done. After a short break and a renewed glass of champagne, I grab my bag again and pull out a bright flesh-colored dildo. It is as big as a large cock and she smiles with approval. We discuss the virtues of a dildo over a cock laughing at the expense of men's penises and the "my cock rules and you'll obey it" attitude most of them have.

With no hesitation at all, Melanie slips the dildo into her already moist mouth and moans with pleasure. I hold it in front of her as she is on her knees taking it in as far as she can, looking up at me with big doe eyes. She reaches back and fondles herself as I take in the sexual spectacle before me. I tell her to get on her back as I hold the toy near my pussy and she leans back to lick it once again.

I want her to touch herself even more so I can watch. Immediately her hands slide down her body stopping at her full breasts and rubs them until her nipples are rock

hard. They continue down the firmness of her belly to her pussy where she begins to rub her clit with one hand and hold her pussy lips open with the other so I can watch. Her legs part a little wider to allow her to slip her fingers in all the way. Melanie is again fully exposed, aroused and excited.

Melanie's body trembles when I pull on her nipples. I take the dildo and move around to the front of her and insert it gently into her juicy pussy. Melanie's passion is contagious. I'm now slipping the vibrator in and out of her tight hole. She trembles and her first release rocks through her body. She begs me for more. For the next four hours we love and sex each other with abandon. Finally, we head to the bedroom to nap.

TOSH & CALLIE & SASHA

My best friends are Callie and Tosh, and they're a bit over-sexed, if you ask me. What's strange is that I never thought of myself as a lesbian until we had been doing each other for more than a month. Then it hit me out of the blue - I like girls! Or at least, I like these two. After our photoshoot, I just can't stop thinking about eating their warm pussies.
